Attachments: DISH follow-up licensing letter to VIDGO (07.31.2023).pdf

Hello Mr. Mattsson,

Please find attached DISH's follow-up letter regarding the licensing of its patent portfolio directed to adjustable bit-rate video streaming. Please let me know by August 7, 2023 if we can send you an NDA to discuss this matter. Thank you.

Best regards,
Joe Edell

Hi Mr. Mattsson - DISH has firmed up a rate proposal that it will provide to potential licensees for its video streaming patent portfolio. Are you available this week or next to discuss the terms of DISH's proposal? Thank you for your time.

Best,
Joe

Dear Mr. Mattsson,

Please find attached a letter from DISH Network regarding the licensing of a patent portfolio directed to adjustable bit-rate video streaming. The letter's enclosures are also attached.

Sincerely,
Joseph Edell
